Detailed Annexation List:

No changes to city boundaries occurred in 2024.

Notes:
Benchmark 2015.
Some jurisdictions' legal boundary extends three miles off the coast.
A fixed boundary line at the coast was created in November 2014 based on high-resolution county-wide aerial imagery that was captured on June 19, 2013, to approximate the ocean waterline and to eliminate artificial land area changes to jurisdictions adjacent to the Orange County coast. This coast line does not define any vertical datum such as mean high tide, mean sea level, or mean lower low tide. This reference line was developed through a collaboration of OC Public Works, OC LAFCO, and CDR; it has no legal value; and its purpose is for CDR's use in reporting population density and jurisdictional annexations. For official legal boundaries, contact the County of Orange Surveyor's office http://ocpublicworks.com/survey/
