Notes:

Accessory Dwelling Units (ADUs): Single unit added to single-family attached or detached residence or lot through new construction or conversion of existing space.

May be attached or detached. Depending on type, must include kitchen facilities and bathroom or access to bathroom.

There was no ADU activity reported from 2000-2004.

Increased ADU activity post 2016 reflects multiple pieces of legislation passed over a number of years pertaining to loosening restrictions on ADUs.

This table shows the net activity for each jurisdiction and includes detached, attached, repurposed and Junior ADUs.

These units have been completed or finalized through building finals, certificates of occupancy, or utility releases.

These data are not the number of building permits.

Data were collected from all 35 Orange County jurisdictions through CDR's Housing Inventory System (HIS).

Jurisdictional boundaries are as of January 1, 2026.
