Dear Chief Frisbee,

Congratulations! I am pleased to inform you that the California State University, Fullerton Police Department has been awarded Accreditation by the International Association of Campus Law Enforcement Administrators.

IACLEA accreditation is awarded for a period of four (4) years. During the period of accreditation, the month of April will serve as the anniversary for your submission of annual reports, verifying your agency's continuing compliance with all applicable standards required for accreditation, as well as the month for next assessment in 2030.

The Certificate of Accreditation and decals will be mailed directly to you by Headquarters' staff. You and members of your staff will be recognized during the 2026 IACLEA Annual Conference in Orlando, FL.

Attached are the final assessment report and a toolkit for promoting your Accreditation.

On behalf of the Board of Directors and IACLEA Accreditation Commission, I commend you and the California State University, Fullerton Police Department for demonstrating a commitment to the highest professional practices in campus public safety management, administration, operations, and support services.

Once again, congratulations on this notable achievement and thank you for your commitment to the IACLEA Accreditation Program.
