

## AMS: Mapping Outcomes to Goals

Every outcome should be linked to one University strategic plan goal (SPG). SLOs should be linked to one undergraduate or graduate learning goal (ULG/GLG). Undergraduate programs should also link SLOs to all applicable WSCUC core competencies (CC).

Information in this step-by-step guide is intended for units that have an assessment plan (Steps 1-3) entered into the Assessment Management System (AMS).

See the following guides for additional support on [Completing Steps 1-3](#) or [Assessing an Existing Outcome in AMS](#).
