

Based on the 2022 NSSE results:

DATA OF THE MONTH

NSSE results reveal increase in student engagement with DEI-related experiences.

The National Survey for Student Engagement (NSSE) collects information each year about student perceptions regarding specific experiences and interactions that students are typically engaged with on campus.

95% of freshmen shared CSUF demonstrates a commitment to diversity.*

93% of seniors shared CSUF demonstrates a commitment to diversity.*

For detailed NSSE results for our campus, please visit the online dashboard or find the 2022 NSSE reports available here!
