

FALL 2024 ASSESSMENT WORKSHOP

ASSESSMENT 101:

STUDENT LEARNING OUTCOMES

9/18/2024 EVALUATION RESULTS

This workshop focuses on student learning assessment for an academic program and will provide an overview of the university six-step assessment process, including how to develop learning outcomes, determine methods and measures, identify criteria for success, and discuss best practices for data collection, analysis, and improvement planning – all essential pieces to creating an effective process to assess student learning.

RESPONSE RATE

Attendees: n/a / Evaluations: 21 = Response Rate: n/a

RESULTS

100% of respondents agreed the workshop was effective in introducing them to the 6-Step Assessment Process, 100% agreed the workshop was effective in strengthening their knowledge of how to conduct assessment, and 100% agreed that they understand how assessment supports continuous improvement.
