Dan Black Dean Dr. Marie Johnson
College of Natural Sciences and Mathematics
California State University, Fullerton

Dear Dr. Johnson,

Thank you for your kind and thoughtful response regarding the Program Performance Review. We greatly appreciate your recognition of the department's strengths and your insights on areas for growth identified by the review team. We share your commitment to long-term planning, resource sustainability, and student success, and we are grateful for your continued support.

We look forward to working with you to address the areas for growth and meet future challenges that will surely appear, while continuing to build on the strengths that characterize our department.

Best regards,

Marcelo E. Tolmasky
Chair, Department of Biological Science
