Office of Research and Sponsored Projects

CSUF Quarterly Grantee Recognition Event
The Office of Research and Sponsored Projects will host its first CSUF Quarterly Grantee Recognition Event to honor award recipients. The inaugural event will recognize grantees who received awards during the first two quarters of 2017 (Jan.-June), Wednesday, Aug. 30, from 2-4 p.m. at Titan Hall (formerly Western State College of Law Library), lower-level conference room 003.

Do you have an idea or concept that you’d like to get funding for?
The Office of Research Development will meet with you to discuss possible ideas, projects and prospects; then help you create and develop your idea and a plan to seek external funding. Limited Funding is available for course releases for faculty members pursuing complex grants and requiring time to develop partnerships. More...

Updated OGC proposal forms
Effective July 2017, the Office of Grants and Contracts (OGC) updated proposal forms on its website. Please note, while preparing proposals, to use forms with the FY 2017-18 footer. Starting July 2017, all proposals must use the updated IDC rates. More...

ASC Appoints New Director for the Office of Sponsored Programs
Sydney Dawes began her role as Director of ASC’s Office of Sponsored Programs (OSP) July 2. Prior to joining ASC, she was the Grants and Contracts Administrator from 2004-2011 at CSULB Research Foundation. Charles Greenwood will fill the vacancy left by Dawes. Greenwood has been with ASC since 2014. Prior to that, he spent 11 years at CSULB Foundation as a grants and contracts coordinator, and was also responsible for effort reporting and redistributing F&A.

Compliance (IRB and IACUC)
The Office of Research and Sponsored Projects’ goal is to help facilitate research and make sure it is conducted safely, ethically and legally. ORSP uses the Collaborative Institutional Training Initiative (CITI) Program to provide trainings for Human Subjects and Animal Welfare research, Financial Conflicts of Interest, and to fulfill federal Responsible Conduct of Research (RCR) training requirements.
