Note:

- All investigators, co-investigators, coordinators, and key personnel conducting research on human participants require the completion of the **Social & Behavioral for Research Investigators** training course.

- In response to the National Science Foundation’s (NSF) and the National Institutes of Health (NIH) requirements, CSU Fullerton requires all postdocs, graduate, undergraduate students, trainees, and fellows who receive funding (salary and/or stipend) from either one of these funding agencies to complete the **Responsible Conduct of Research (RCR) Training**. For projects funded by the United States Department of Agriculture (USDA) all research personnel including PIs, co-PIs and Key Personnel are required to complete the RCR training.
