The **Judith A. Presch Desert Research Scholarship** provides \$500 for research support, plus a waiver of fees for 1 year of research use of the CSU Desert Studies Center.

## **Applications due 1 November**

Open to graduate and undergraduate students pursuing research in arid lands.

The scholarships were established in memory of Judith A. Presch, Human Resource Specialist at Cal State Fullerton and Desert Studies Center supporter. They are awarded annually to one undergraduate and one graduate student conducting desert-based research. Awardees will have fees waived for use of the CSU Desert Studies Center facilities for their research for 1 year. Awardees are expected to acknowledge the support of the CDSC in any reports (theses, dissertations, presentations) or publications that result from their research.
