Undergraduate Degree Program
<https://csufcs.com/cpscb>

Undergraduate Handbook
<https://csufcs.com/ugradhandbook>

EPP Info.
<https://csufcs.com/epp>

Students must complete all G.E. courses, 15-units lower-division and 30-units upper-division Computer Science core courses, 12-units of math and science electives, and 18-units of Computer Science elective courses.

The degree is a total of 120-units. Students must complete 30-units per year to complete a degree in 4-years.

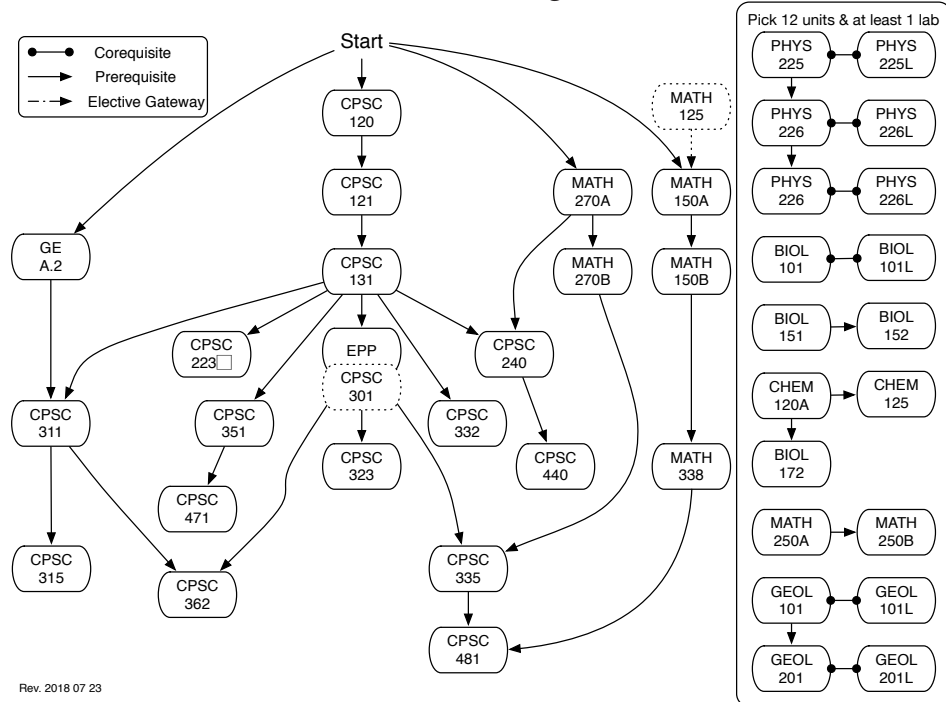

Students must apply for graduation two semesters prior to graduating.

Do not plan on taking all your elective courses in your last year.

All 100 and 200-level courses may be completed at community college. See «<http://assist.org/>» for CA community college articulation agreements.
