COVID-19 Impacts

• The Rebuttal Period portion of the RTP cycle will be conducted via Interfolio

• The Portfolio Checklist is no longer required to be turned in Hard Copy, instead it will need to be emailed to your Department Chairs by the submission deadline
  – 9/15/2022 for people undergoing their 1st full performance review
  – 10/3/2022 for everyone else

• Faculty members can opt out of providing Spring 2020 SOQ & Grade Distribution Data
  – See link for more details, http://www.fullerton.edu/far/covid19/
Interfolio API

• What?
  – This is an evaluation tool/plugin recently developed by IT in conjunction with FAR.
• Purpose?
  – To automatically import grade distribution and SOQ data for faculty into their active Interfolio cases
• Why?
  – To take some of the burden of preparing evaluation portfolios off of faculty
• When?
  – The API was developed in the 2020-2021 AY and is run by the IT department when new Interfolio cases are created for new evaluation cycles
• *For anyone thinking of undergoing evaluation for Early Tenure and/or Early Promotion or Early Promotion/Promotion to Full professor
  – The closer to the deadline you submit your declaration paperwork to the FAR office, the less time you will have to upload your materials to your Interfolio case
• The API is a relatively new tool, which means that it is still possible for errors to occur
  – Responsibilities of Faculty Members undergoing review:
    • Check that all the data from all your classes has been imported
    • Change any document names imported by the API if you are dissatisfied with them
    • Rearrange the order of the documents imported by the API to best reflect your DPS criteria or department culture

Tips to Make the RTP Process Easier

• **Start early**
  – Don’t wait until the week or day before everything is due to start working
  – Check your [fullerton.edu](mailto:fullerton.edu) inbox regularly, for emails from [FAR or noreply@interfolio.com](mailto:noreply@interfolio.com)
  – Interfolio Server traffic is at its most congested on deadline day, which will cause the Interfolio platform to slow considerably

• Find out who you should talk to about what makes a good portfolio for faculty in your department
  – This can be your Department Chair, Faculty mentor, or even a friend amongst your colleagues, **but NOT the FAR Office**

• Read your DPS document from cover-to-cover
Departmental Personnel Standards (DPS)

- This document is the basis of all Retention, Tenure, and Promotion evaluations and recommendations
- “These standards... ...shall indicate the specific range of activities and levels of performance necessary to meet requirements for positive retention, promotion, and tenure decisions.” (UPS 210.002)
- Departmental Personnel Standards webpage
  - These standards will be the most useful in answering questions or providing direction about preferred style or content of RTP portfolios.
RTP Tips Cont’d

• Download, analyze, and refer to copies of UPS 210.002, and the FAR RTP timetables.
• FDC: Participate in workshops, initiatives, and social events
• Keep balance in mind
• Document everything
• Assemble RTP materials each semester, to keep things from becoming overwhelming when assembling your portfolio
Period of Review

• For Tenure-Track Full Reviews
  – All Full Performance reviews are CUMULATIVE
  – Covers the time period from the date of hire to the date of submission in the current academic year
  – All documentation submitted for a full performance review should also reflect that timespan

• For Promotion to Full Professor Reviews
  – Similar to Tenure-Track Full Performance reviews, this type of review is also CUMULATIVE
  – Covers the time period between the day after you submitted your RTP Portfolio for Tenure & Promotion to Associate Professor through the submission deadline of the current academic year
  – All submitted documentation should also reflect that timespan

• For Tenure-Track Abbreviated Reviews
  – Abbreviated reviews are NOT cumulative
  – These reviews cover the time span between the day after your last RTP portfolio submission to the deadline for your current RTP portfolio submission
    • Covers the timespan of 2 semesters or 1 academic year
  – All documentation submitted for an abbreviated review should reflect the 2 semester timespan
RTP Full Performance Reviews

• For Probationary or Tenure-tack faculty
  – Full performance reviews occur normally in probationary years 2,4, & 6
    • They can also be mandated by the Provost in years 3 & 5
  – For those undergoing their 1st full performance review
    • Submission deadline: **September 15, 2022**
  – All other Full Performance reviews
    • Submission deadline: **October 3, 2022**

• For Tenured Faculty undergoing Promotion consideration to Full Professor
  – To participate in this type of full performance review, you must submit a Promotion declaration form electronically to FAR by the **9/2/2022** deadline.
  – RTP Portfolio Submission deadline: **October 3, 2022**
  – The normal time to apply for promotion is at the beginning of the 5th year in Associate rank
    • Faculty eligible for promotion, who opt out, will undergo a Post Tenure Review, which also needs to be submitted through Interfolio
  – A faculty member may withdraw from this process at any time up until **May 1st**

FAR’s Online Resources

- FAR’s website now contains pages specifically for Tenure-track and Tenured faculty. These have been reorganized to have nearly identical information on them to:
  - Lessen the confusion surrounding the RTP process
  - Keep you, the Faculty informed of upcoming events
  - Provide a clearer display of all pertinent documentation that the FAR office has to offer, to better aid you in the RTP process
    - Tenure-Track Faculty
    - Tenured Faculty
- FAR also has pages for blank SOQ forms and Departmental Personnel Standards
  - SOQs
  - Departmental Personnel Standards (DPS)

Tenured Faculty Page

Promotion

**TURED FACULTY - PROMOTION TO PROFESSOR (OR EQUIVALENT)**

Fall 2022 Portfolio Submission deadline: **10/3/2022**

Deadline to submit Promotion Declaration form: **9/2/2022**

This review is considered to be a full-review, and like full-reviews in the tenure-track process, this review is cumulative. The **Review Period** for this documentation you will need to submit as part of this review is from the day after you submitted your RTP portfolio for Tenure & Promotion to Associate Professor through the current submission deadline.

Candidates for 2022-2023 actions are to submit their materials through **interfolio**, the evaluation system implemented in 2017-2018.

Promotion of a tenured faculty member shall normally be considered during the fifth year in rank, with promotion effective at the beginning of the sixth year. Applying prior to completing four years of service as an Associate Professor, Associate Librarian, or SSP-AR II Counselor is considered applying for early promotion.

The Interfolio Template used for Promotion to Full Professor evaluation, mirrors the requirements of tenure-track full performance review, and is listed below in the Templates Section. This page also provides several different types of resources to aid in the completion of the RTP Portfolio.

For **Librarians and Counselors** there are a few documents that are specific to their portfolios, and they are noted below.

For more information on RTP, please see the slides from our latest candidate workshops.

Probationary Faculty Page

Retention, Tenure, and Promotion (RTP)

Probationary faculty members are normally given a two-year initial appointment and are subject to evaluation before they are reappointed to subsequent probationary years or granted tenure. Tenure-track faculty are considered probationary faculty until they are awarded tenure or terminated.

Candidates for 2022-2023 actions are to submit their materials through **interfolio**, the evaluation system implemented in 2017-2018. The template that candidates undergoing full performance reviews will use mirrors the requirements of UPS 210.000 and UPS 210.002. Interfolio is accessible through the Faculty Portal (for assistance see how to log into videos).

For more information on RTP, please see the slides from our latest candidate workshops.

For Counselors (CAPS) and Library Faculty there are some documents that are specific to their portfolios and are listed below.

FULL REVIEW

Fall 2022 Submission Deadline:

* For full performance review: **9/15/2022**
* For all other full performance reviews: **10/3/2022**

Full performance reviews typically occur during probationary years 2, 4, and 6 and require the submission of a full portfolio reflecting achievements in three areas.

Exceptions to the Normative RTP Process

- Faculty members with Service Credit
  - This would have been granted upon hire, would be listed in the hiring contract, and is a maximum of 2 years
    - The Prospectus is still completed in first year of employment and candidates undergo full performance review the next year
  - With 1 Service Credit year awarded, these Faculty have back-to-back full reviews in years “3” and “4”
    - Classified by FAR as PY2-NR for the first year of employment
  - With 2 Service Credit years awarded, these Faculty undergo full reviews in years “4” and “6” in sync with the normal cycle
    - Classified by FAR as PY3-NR for the first year of employment

- Early Tenure and/or Early Promotion to Associate Professor
  - Most DPS’ will have criteria for how to achieve early tenure & early promotion

- Early Promotion to Professor
  - Most DPS’ will have criteria for how to achieve Early Promotion to Professor
Early Tenure and Early Promotion

- After one year of service, a **probationary faculty** member may request to be evaluated for early tenure and early promotion.

- Read Department Personnel Standards for early tenure and early promotion requirements.

- To receive early tenure and early promotion, all expectations for the probationary period must be satisfied and performance in both teaching and scholarly and creative activities must exceed expectations.
  - The submission deadline for your assigned timetable will remain the same even if you apply for early tenure and early promotion.

- Possible outcomes are:
  - Tenure and promotion to Associate Professor
  - Promotion to Associate Professor without tenure (department-specific)
  - An additional probationary year
  - A terminal year
Early Promotion to Professor

• After one year of service at the Tenured Associate rank, a faculty member may request evaluation for early promotion
  – Applying at the start of your fifth year in tenured Associate rank is normative
• Read Department Personnel Standards for early promotion requirements
• To receive early promotion, performance in all three areas of review shall be at the level of Excellent (this definition is department-specific)
• Possible outcomes are:
  – Promotion to Professor
  – No promotion to Professor
Interfolio Introduction

• Interfolio is an electronic evaluation system utilized by many of the CSU campuses, they are also a 3rd party vendor with whom CSUF has a contract
  – ALL RTP portfolios are required to be submitted through Interfolio
• As CSUF faculty members, you have access to 2 interfolio products
  – Review, Promotion, and Tenure (we refer to this product generically as “Interfolio”)
    • This is where all Portfolio materials will be uploaded
    • Accessible through the CSUF Portal or https://account.interfolio.com/login
  – Dossier
    • This is secure storage system where you can store your materials in preparation for upcoming reviews
    • Documents stored in Dossier CANNOT be viewed by your review committees until they are uploaded to an active Interfolio review packet and all sections in that packet are “SUBMITTED”
• Relevant Tutorials
  – How to log in
  – How to use Dossier
Interfolio Vocabulary

• **Case** = most recent review packet created for a faculty member, where he or she uploads their Portfolio Materials
  – This is also known as a “**Review Packet**”

• **Review packet section** = a specific category of documents that make up the whole of a “case”
Interfolio Tips

• For Technical issues, contact the Interfolio Help Desk:
  – Email: help@interfolio.com
  – Phone: (877) 997-8807
• Read the instructions provided in various places in the review packet
• Tutorials Available on FAR’s Tenure-track (Probationary) & Tenured Faculty (Promotion) pages under the “Interfolio Tutorials” drop down menu
• Use the most up-to-date Chrome, Firefox, or Safari browser
  – Interfolio will NOT load in Internet Explorer (IE) or Microsoft Edge
• Organize all of the documents you are planning to submit before you upload
  – Only after you have created the system above do you create your Table of Contents
• Use a clear and logical document naming convention, so that reviewers can determine the content of each document from the name alone
Interfolio Tips Cont’d

• Don’t be afraid to click things while in working in Interfolio
  – Any permanent changes to your packet, like submission or deletion of
    uploaded materials will **ALWAYS** require confirmation

• In sections where you have to upload more than one document,
  like the ones that require SOQ data, upload documents in small
  batches
  – This way you can **re-arrange documents** in smaller batches rather than
    one big batch

• Do **NOT** use the highlighting, note, or tag function in Adobe to Edit
  the PDFs you will be submitting, this will affect formatting and
  legibility

• **Word of Caution: do not submit your portfolio without double
  checking the formatting of ALL your uploaded documents**
Interfolio Demonstration

• There are three methods to log into Interfolio
  – #1 going through the CSUF Campus portal: https://my.fullerton.edu/Portal/Dashboard/
  – #2 going directly to the Interfolio Log-in Page (make sure to bookmark as a favorite): https://account.interfolio.com/login
  – #3 Clicking the “View Case” button in the body of the notification email you received from noreply@interfolio.com
