2023-2024 RTP Timetables:
Important Changes for Faculty Evaluation

• WPAF Organization WPAF labels and names and some sections have changed.
  – See section II.B.4 in UPS 210.000. Note that Interfolio cases now will use the new section organization, including letters (instead of numbers) and section labels.
  – There is an increase in the allowed words for the narratives. The old version of the policy allowed for only 1000 words per narrative; the new version allows for up to 1500 words per narrative.
  – The appendices have been eliminated with the newly reorganized WPAF. Documents that would have gone into appendices now have their own sections in the WPAF. See the list starts on page 10 of the new version of the policy.
2023-2024 RTP Timetables:
Important Changes for Faculty Evaluation

• Full-time, Non-instructional Assignments
  – Faculty members with full-time non-instructional assignments during a review period can submit a form to request non-review of teaching assignments during the non-instructional assignment (UPS 210.002, section III.A.2)
  – Use the online FAR form and place the form + attachments in section f. List of Classes Taught.

• Eligibility of Chairs to Review
  – Chairs with a spring leave ARE NOW eligible to serve as a reviewer.
  – This is a change from recent past practice due to changes in UPS 210.000.

• Administration of the First Rebuttal Period
  – The DPC now runs the first rebuttal period.
  – This is new, due to a change in UPS 210.000.
