

Tentative 2025-2026 Sabbatical Eligibility List (9/11/2024)

Faculty Affairs and Records has identified the following 430 full-time Unit 3 faculty members as potentially eligible to apply for a sabbatical leave for the Fall 2025 and/or Spring 2026 semesters.

Eligibility is contingent upon full-time service in the 2024-2025 Academic Year and the Fall 2025 semester (for those eligible for a sabbatical beginning in the Spring 2026 semester); please note that this list may or may not reflect all leaves or time-base changes in the relevant timeframe. All applicants will be screened again for eligibility before their applications are considered by the Professional Leaves Committee.

Information on the application process, timeline (applications are due 5pm on October 15, 2024), FAQs, and additional resources are available on the FAR website. Please contact FAR with any questions (657- 278-2125; far@fullerton.edu).
