## Department of Geological Sciences GS-700 Extended Ed Enrollment Approval

Students enrolling in GS-700 must maintain Good Standing by demonstrating satisfactory progress towards the completion of the Thesis. This is done by developing and completing a work plan each semester.

To register for GS-700 through Extended Ed you must (*in order*):

- 1) Discuss your work plan and thesis timeline with your thesis advisor.
- 2) Complete this form and the required write-up.
- 3) Submit this form and the Graduate Studies GS-700 Enrollment Request Form to the *Graduate Advisor*.
- 5) Submit the Graduate Studies GS-700 Enrollment Request Form to the Graduate Studies Office (MH-103).
- 6) Register for the class.

Please attach a brief write-up that describes the following:

**Deliverables and/or Expectations:** Describe the student products or expectations - these will be the basis for if satisfactory progress has been made by the end of the semester.

**Revised Thesis Timeline:** Develop a revised timeline for the completion of the thesis and thesis defense.

\_\_\_\_\_  
Student Date

**By signing below, we indicate that the student named above is currently in good standing and may enroll in GS-700. The student must still submit a GS-700 Enrollment Request Form to the Graduate Studies Office.**
