MESSAGE FROM CSUF GRADUATE STUDIES

Welcome all new and returning graduate students to the Fall 2022 semester!

With the semester in full gear, remember that there are many resources on campus for you. You will read more about the Graduate Studies Center (GSC) on the next page, but there is also the Career Center, CAPS, Financial Aid, and many more offices here to serve you as a student. You can find a consolidated list of campus resources [online here](#).

We look forward to working with you this semester. Graduate students become experts and leaders in their field and go on to tackle the most challenging and pertinent questions in our society. We are proud of all of our Graduate Titans!

GSC STUDENT RESOURCES

The GSC has lots of resources for you during your graduate program:

Study Space and Kitchen

The GSC is located in LH-216 and features individual study desks, group tables, lounge spaces, whiteboards, power outlets, and a small kitchen for CSUF grad students.

Open Hours:

Monday-Thursday: 10a-7p

Friday: 10a-5p

Writing Appointments

The GSC provides free one-on-one Writing Appointments with skilled Writing Consultants. Students may book one appointment per week and they are set for one hour. Appointments can be booked up to 2 weeks in advance. You can book through our appointment calendar [online here](#).

Private Study Room Reservation

If you need a private space to study, you can book our small study room in the GSC during our open hours. This room has a large white board, two desks, and charging outlets. You can book this room through our calendar [online here](#).

PARTICIPATE ON THE GRAD STUDENT ADVISORY BOARD

CSUF Graduate Studies is excited to announce the creation of a student advisory board. This is an opportunity for graduate students to give their input and suggestions for graduate student success initiatives at CSUF. We look forward to getting to know the board and working with them on ways to support our graduate students.

We are looking for strong representation across campus and students from a variety of programs. We expect Advisory Board members will commit to a couple of meetings per semester. Meetings will be scheduled based on the selected board's needs and availability.

If you are interested in serving as an Advisory Board Member, please apply [online here](#) by **October 21, 2022**.

GOODBYE STUDY PLANS, HELLO TDA!

Say goodbye to paper study plans because as of Fall 2022, we are now digital! We've been hard at work building the Graduate Titan Degree Audit (TDA) for all of our master's and doctoral programs and we are excited to announce that the TDA is now live.

The TDA provides real-time information about degree requirements and your progress toward earning your degree.

Of course, this does not replace your graduate advisor, but it is a useful online advising tool for both the advisor and the student. You can review a tutorial on running the TDA [online here](#) or contact gradtda@fullerton.edu with any concerns about your TDA.

2022-2023 CDIP WINNERS

Congratulations to our Chancellor's Doctoral Incentive Program (CDIP) winner! This prestigious program prepares promising doctoral students for CSU faculty positions by providing financial support, mentorship by CSU faculty, and professional development and grant resources.

Congratulations to our 2022-2023 CDIP winner:

- Jean Abigail Saavedra

2022-2023 SALLY CASANOVA SCHOLARSHIP SCHOLARS

Congratulations to our California Pre-Doctoral Program (Sally Casanova) winners! This scholarship is designed to increase the diversity of the pool of potential faculty by supporting the doctoral aspirations of CSU students who have experienced economic and educational disadvantages.

Winners are awarded travel funds to visit doctorate-granting institutions, options for summer research internships, and funds for other doctoral program related activities.

2023-2024 SALLY CASANOVA AND CDIP APPLICATIONS

The application cycles for the 2023-2024 CA Pre-Doctoral Program (Sally Casanova) and CDIP program are opening soon! The applications open in late fall so now is the best time to learn more about these funding opportunities.

Both of these opportunities have a multi-step application process, so make sure to plan early if you are interested in applying.

Refer to our [Sally Casanova website](#) and [CDIP website](#) for more details including application processes, upcoming information sessions, and deadlines.

GRAD STUDENT SURVEY

We want your feedback!

In mid-October, Graduate Studies will be sending all graduate students an invitation to participate in a brief survey. Please help us learn more about your experience and needs here at CSUF by taking the survey and providing much needed feedback about your programs. The survey will be sent to your CSUF student email address.

ANNOUNCING OUR GRADUATE EQUITY FELLOWS

The Office of Graduate Studies is excited to announce our 2022 – 2023 Graduate Equity Fellows! This program seeks to increase the diversity of students completing graduate degree programs at the CSU, encourages continuation toward doctoral programs, and promotes consideration of university faculty careers.

Congratulations to all 73 recipients on your award and keep continuing the amazing work in your fields! Check out [our website](#) to see our full list of winners and learn more about the Graduate Equity Fellowship.

FUTURE INSTRUCTOR TRAINING (FIT) PROGRAM

The North Orange County Community College District (NOCCCD) is accepting applications for their Future Instructor Training (FIT) Program, a program that aims to connect equity minded faculty at NOCCCD to mentor and inspire future instructors in selected fields for Spring 2023 semester.

The FIT program will offer a stipend of \$800 dollars and additional resources for participants. The goal is to close the opportunity gap and foster the growth of the next generation of community college faculty.

Interested in applying? Intern applications end on September 30, 2022. You can learn more about the program, eligibility requirements, and responsibilities [online here](#).
