

# Medication Abortion (MAB)

## Frequently Asked Questions

### Will my parent/guardian find out I am receiving these services?

Receiving care at Health Services for any service, including our sexual health and reproductive services, is always confidential per HIPAA regulations. Your parents/guardians will not know you've received services unless you have a documented consent granting them access to your health records. Consent can be revoked at any time; contact us for more info.

### I want to learn more about birth control options. Who can I talk with?

Call 657-278-2851 to schedule an appointment with our health educator for a one-on-one consultation.

### I've decided which birth control method is right for me. What now?

Call (657) 278-2800 to schedule a "birth control start" appointment with a provider.

### To which off-campus clinics does Student Wellness offer referrals?

#### UCI Family Health Center

[ucihealth.org/locations](http://ucihealth.org/locations)

#### Planned Parenthood

[plannedparenthood.org](http://plannedparenthood.org)

#### Hey Jane

[heyjane.com](http://heyjane.com)

#### Plan C

[plancpills.org](http://plancpills.org)

### Where can I use Family PACT?

Family PACT is a CA state-wide program with several health centers in-network. Health Services staff assist with verifying eligibility and enrollment. Once enrolled, you can use this coverage to access reproductive health services at Student Wellness or off campus at participating clinics.

#### More info:

[familypact.org](http://familypact.org)

### Does Family Pact function as insurance?

No, it does not. You must apply and meet set criteria to qualify for Family PACT. If approved, it will cover family planning and related reproductive health services. It does not cover pregnancy care or abortion services.

### If I already have a primary care physician outside of Student Wellness. Can I still receive services and a prescription for birth control?

Yes, you can still receive services with us. To use our pharmacy or get a new prescription, you must first see one of our medical providers.

### Can I bring my own outside birth control prescription and get it filled at the Student Wellness Pharmacy?

No, our pharmacy only fills medications prescribed by our Student Wellness providers.

### If I got a LARC inserted outside of Student Wellness, can I still get it removed at Student Wellness?

Call (657) 278-2800 to schedule an appointment with a provider to medically assess next steps for removal.
