# 3 Create an Account

<p><b>Step One</b></p> <p>You will need to create an account with IBM before proceeding.</p> <p><b>Note:</b> If you already have an account you can log in with that information under <b>Returning Users</b>.</p>	
<p><b>Step Two</b></p> <p>After you have created your account, you will be asked to select the appropriate software installation file for your computer's operating system.</p> <p>Click on <b>I agree</b> to accept the agreement and <b>I confirm</b> to start the installation.</p> <p><b>Tip:</b> It is recommended to use the <b>Download using http</b> option for the installation.</p>	

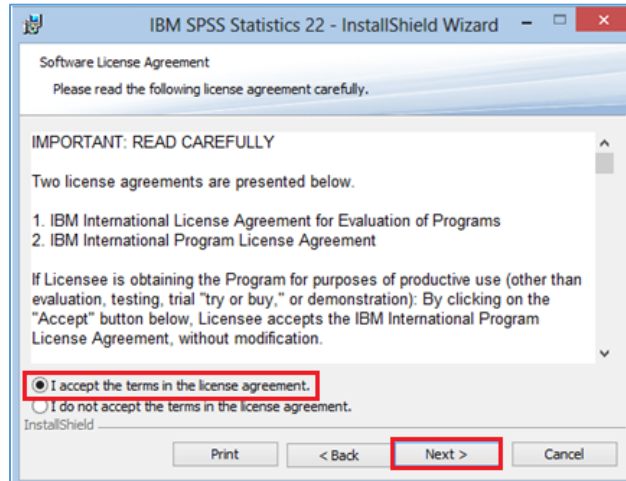

## 4 Installing your software

The instructions for this guide were done on a PC; however the installation screens will be the same for a Mac.

Steps	Images
<p><b>Step One</b></p> <p>After confirming the agreement from the previous step, you will see the <b>IBM SPSS Statistics – InstallShield Wizard</b> window.</p> <p>Click <b>Next</b>.</p>	
<p><b>Step Two</b></p> <p>Check the <b>Authorized user license</b> option and click on <b>Next</b>.</p>	

**Step Three**

Accept the licensing agreement and click on **Next**.

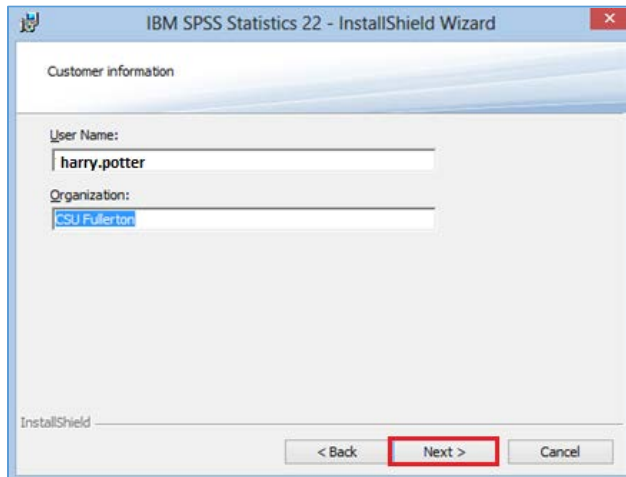

**Step Four**

Enter your IBM account username.

Enter **CSU Fullerton** as your organization.

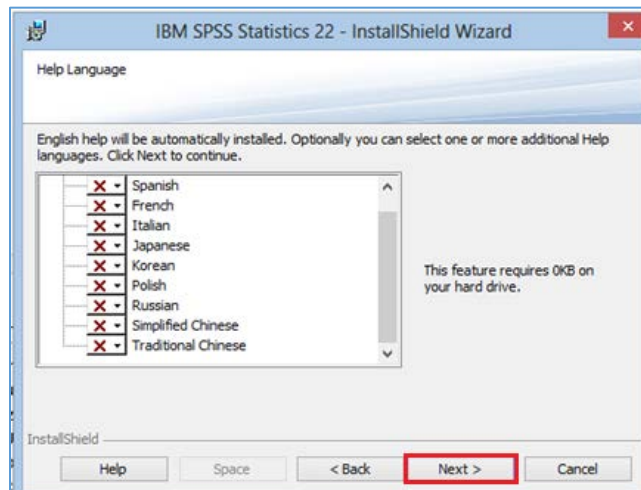

Click **Next**.

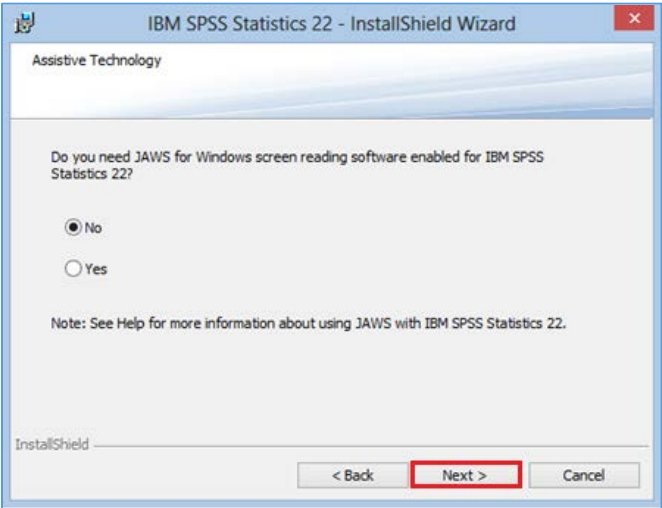

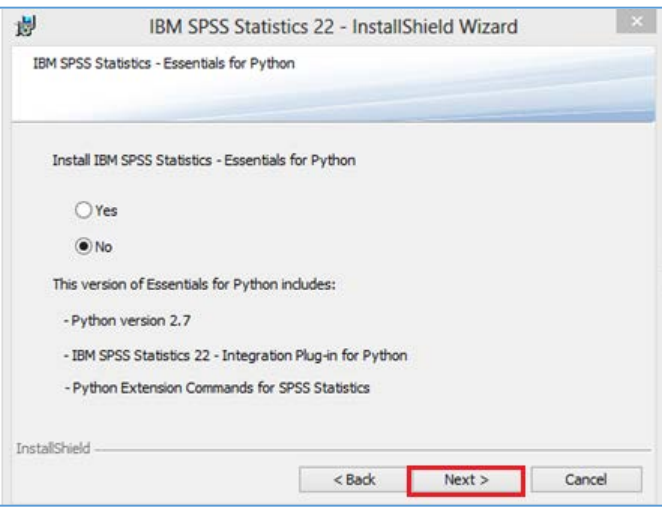

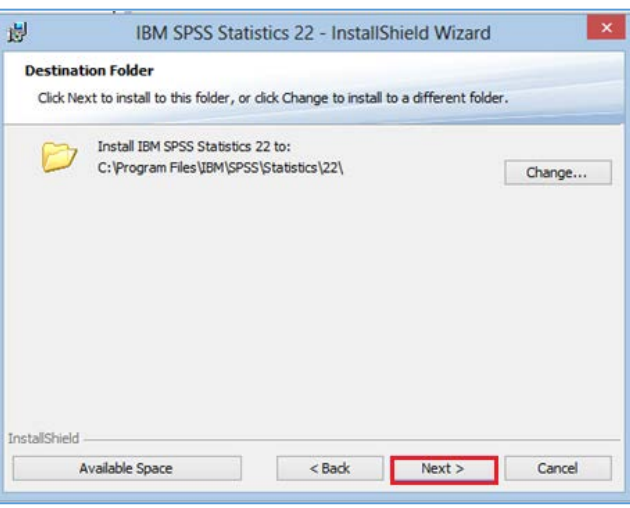

**Step Five**

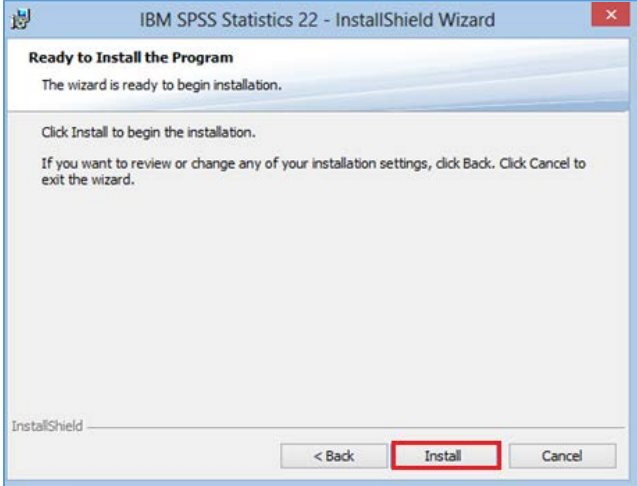

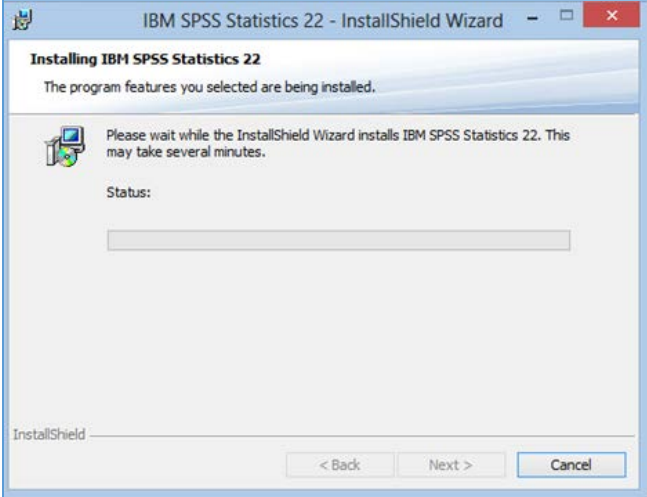

Click **Next**.

**Optional:** If you need to use another language option in addition to English, you may select it from the list.

<p><b>Step Six</b></p> <p>If your computer doesn't use the <b>JAWS</b> program, select <b>No</b>.</p> <p><b>Note:</b> JAWS is a computer screen reader program that allows blind and visually impaired users to read the screen.</p> <p>Click on <b>Next</b>.</p>	
<p><b>Step Seven</b></p> <p>If you don't need to use the Python programming language, select <b>No</b>.</p> <p>Click on <b>Next</b>.</p>	
<p><b>Step Eight</b></p> <p>Click on <b>Next</b>.</p>	

<p><b>Step Nine</b></p> <hr/> <p>Click on <b>Install</b>.</p>	 <p>The screenshot shows the 'Ready to Install the Program' dialog box. The text reads: 'The wizard is ready to begin installation. Click Install to begin the installation. If you want to review or change any of your installation settings, click Back. Click Cancel to exit the wizard.' The 'Install' button is highlighted with a red box.</p>
<p><b>Step Ten</b></p> <hr/> <p>The installation process can take a few minutes.</p>	 <p>The screenshot shows the 'Installing IBM SPSS Statistics 22' dialog box. The text reads: 'The program features you selected are being installed. Please wait while the InstallShield Wizard installs IBM SPSS Statistics 22. This may take several minutes.' A progress bar is visible below the text. The 'Next &gt;' button is highlighted with a red box.</p>
<p><b>Step Eleven</b></p> <hr/> <p>Click <b>OK</b>.</p> <p><b>Optional:</b> You can select the <b>Register Product</b> option if you want to register your product to receive product updates or special offers.</p>	 <p>The screenshot shows the 'License IBM SPSS Statistics 22' dialog box. The text reads: 'InstallShield Wizard has successfully installed IBM SPSS Statistics 22. Click OK to start the license authorization process. You will need the authorization code that was included with your software to get a license.' There is a checkbox for 'Click here to register for product updates and special offer alerts. Two minutes is all it takes!' which is checked. The 'OK' button is highlighted with a red box.</p>

## 5 Authorize your software

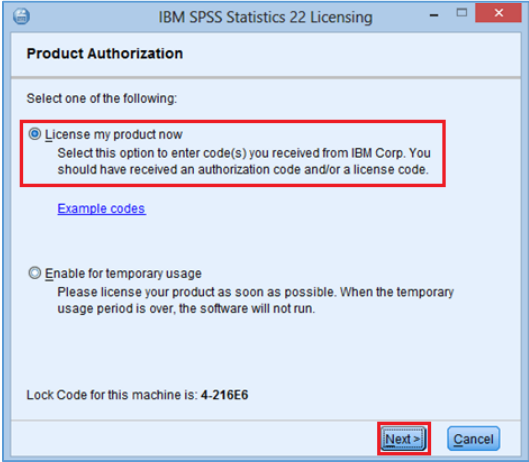

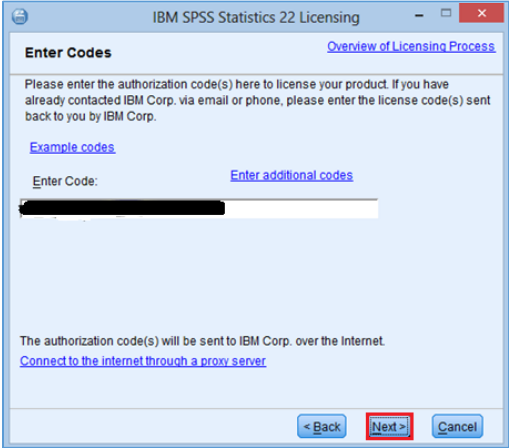

Once the software has been installed, you will be prompted to authorize it.

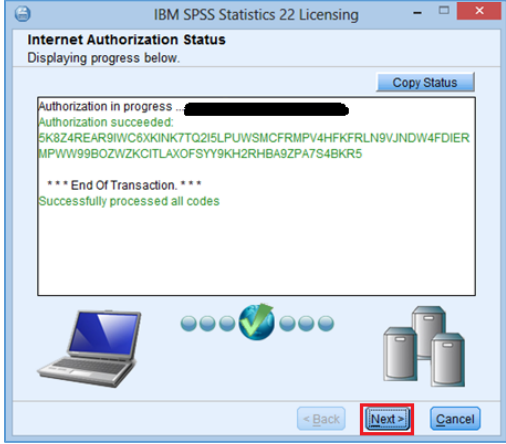

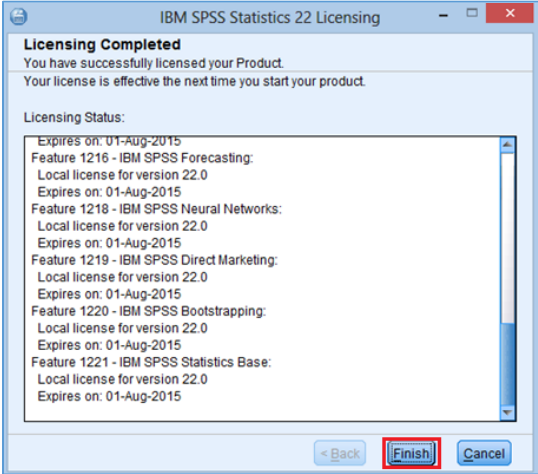

### **OMG I can't find my Authorization Code!**

Don't panic! First, check your student email account. You should have received an email with the license serial number when you placed the order.

### **I think I deleted that email!**

Okay. Go to <https://apps.fullerton.edu/E-Licensing> and select **Students**. Log on with your Portal username and password. Click **View Purchased License** on the left. Voila! There are all of the serial numbers for software that you purchased through CSUF.

Steps	Images
<p><b>Step One</b></p> <p>On the <b>Product Authorization</b> window, select the License my product now option and click <b>Next</b>.</p> <p><b>Note:</b> You must be connected to the internet before you can authorize your software,</p>	
<p><b>Step Two</b></p> <p>Enter the Authorization Code that you received in your email and click <b>Next</b>.</p>	

<p><b>Step Three</b></p> <p>Once your software has been authorized, you will see this window.</p> <p>Click on <b>Next</b>.</p>	
<p><b>Step Four</b></p> <p>Click on <b>Finish</b>.</p>	
<p><b>Step Five</b></p> <p>You will need to restart your computer to complete the installation process.</p>
