- * 打麻将 dǎ má jiàng
- * Playing Mahjong
- * Mahjong is the quintessence of Chinese culture , when you come to China you will find out that you can play mahjong everywhere. The residents always hang out with friends to play mahjong at the park or tea room after work, even play until midnight. Sometimes, they even stay up all night to play mahjong, and go to work in the next morning. In southern part, people always play mahjong to enjoy spring festival.
