

Updating your resume for the Undergraduate Research Experience?

The following resources available through the Cal State Fullerton Career Center can help you get started.

Take advantage of these resume writing tips and sample resumes to ensure your resume is at its best!

Resume Writing Tips:

- [Writing Your Resume Video](#)
- [CSUF Career Center Tips](#)
- [List of Action Verbs for Resumes](#)

Sample Resumes:

- [Resume Sample - General](#)
- [Resume Sample - Computer Science](#)
- [Resume Sample - Engineering](#)
- [Resume Sample - Natural Sciences](#)

Additional Resource:

- [Resume Tips on Indeed](#)

Once you've drafted your resume, make sure to have others review and help you edit your work. Visit your college's career center, have it reviewed by counselors, professors, and friends!

In addition to the resources at Cal State Fullerton, there will be some resources and support available to you at your community college. [Click here for a list of campus offices that may offer you additional assistance at your campus.](#)
