

AMP Feedback Report 2

Jan. 29, 2016

GENERAL COMMENTS

- Analysis 1. After reading the proposed words relating to the Academic Master Plan, I suggest some question should be raised as to whether or not members of the committee are clear to what is AMP, its purpose and what shall be it's function? 2. How will the comments about "INFORGRAPHICS" be examined and used as a central premise for understanding relationships between curriculum, job duties and functions, plans, programs and activities at Cal State Fullerton.
- The AMP link should be advertised from the TitanOnline Portal. This is where all the students must go through in order to register for classes.
