

Academic Senate Committees, 2023-2024

This document contains the membership of Academic Senate general and miscellaneous committees list.

General committee members are elected by the faculty.

Members of miscellaneous committees are determined as directed by the policy or other process by which the committees were created.

The Academic Senate Executive Committee is shown below. It is composed of the officers elected by the Academic Senate at its inaugural meeting in May and the faculty elected to serve on the Academic Senate of the California State University system.

The Academic Senate Executive Committee nominates faculty to serve on committees based on faculty interest, which is assessed using the Committee Interest Form circulated each spring. Nominations by Executive Committee are placed on the Consent Calendar of the Academic Senate for approval.

Individuals interested in serving on the committees listed herein should complete the Committee Interest Form, which is available on the Academic Senate website.

Please contact Cierra Chahyaddie (cchahyaddie@fullerton.edu) in the Academic Senate Office for additional information, including the membership of other committees (such as ad hoc or administrative searches).
