

Resolution of Commendation for Dr. Dabirian Vice President for Information Technology and Director of Adjournment

Whereas Dr. Dabirian is a proud graduate of CSUF, having received his B.S. in Electrical Engineering and his M.S. in Electrical Engineering as a Titan; and his Ph.D. in Industrial Economics and Management from the Kungliga Tekniska Högskolan (KTH) Royal Institute of Technology in Stockholm, Sweden in April 2020; and

Whereas Dr. Dabirian has been a member of the Academic Senate of CSUF as a Senator At-Large from 2005–09; as a Senator representing the Administrative Constituency since 2011, and has been a member of the Senate Executive Committee in various positions (Treasurer or At-Large seat) during 2008–09 and from 2011 to present; and

Whereas Dr. Dabirian has served CSUF and the CSU in multiple roles related to Information Technology (IT), too many to mention, and is currently CSUF's Vice President for Information Technology/CIO; and

Whereas Dr. Dabirian, as a faculty member, has taught courses for CSUF since 1984 in the Departments of Computer Science, ISDS, and more recently the Department of Marketing, while publishing 16 scholarly publications and delivering 40 Keynote and Professional Presentations; and

Whereas Dr. Dabirian is a strong champion of faculty and consistently demonstrate the meaning of collegial governance through his tireless work with all members of the campus community; and

Whereas Dr. Dabirian not only bleeds Titan Orange but Titan Orange is the name of the highly caffeinated drink that keeps him going 28 hours a day, and

Whereas Dr. Dabirian plays brilliantly in the annual faculty–student basketball game, having been the MVP of that game by hitting four 3–pointers in a row; and

Whereas Dr. Dabirian superpower is seeing around corners and flying ahead of the airplane, being a whiz at strategic planning and anticipating issues and with multiple solutions; and

Whereas Dr. Dabirian reminds us about the need to change our campus passwords; and

Whereas Dr. Dabirian is not eligible for the campus Faculty Leadership in Collegial Governance Award; and

Whereas Dr. Dabirian will create both a living organic computer and a supercomputer vaccine, then use CRISP to inject the vaccine into computers on campus, so that they resist all future viruses; and

Whereas Dr. Dabirian's vaccine saves so much time for everyone on campus, CSUF becomes the first public university to graduate all students in four years, and faculty become super productive with their research; **therefore be it**

Resolved Be it resolved that the Senate Executive Committee award Dr. Dabirian its highest honor of its inaugural **COLLEGIAL GOVERNANCE AWARD**; and be it further

Resolved That the Academic Senate of the CSUF wish Dr. Dabirian the very best and good luck as goes into the future with his newly earned Ph.D. and much more time to sleep, especially since he won't have to remind us any more about changing passwords; and be it further

RESOLVED: MOVE TO ADJOURN!
