

Resolution for Sheretha Benjamin and Mara Cabrera

- Whereas: Sheretha and Mara have managed the Academic Senate at CSUF for over 5 years together (Sheretha has been with the Senate for 10 years), and
- Whereas: Resolutions are normally for an individual, these twins (they work together seamlessly, often without talking) deserve recognition as a tremendously efficient working super-duo, and
- Whereas: Sheretha and Mara have worked with a broad diversity of Senate Chairs who require/required a matching diversity of high maintenance, and
- Whereas: They have also worked with an even broader diversity of characters throughout the years on the Senate Executive Committee, and
- Whereas: Their attention to detail and focus on the needs of the Senate and CSUF, keeps Senate work from grinding to a halt, and
- Whereas: In normal times, the Senate provides appreciation to all who support the work of the Senate; we are not in normal times, and
- Whereas: During these unusual and disrupting pandemic times, both Sheretha and Mara transitioned seamlessly to a setting of virtual working, and
- Whereas: Some of us miss hearing and watching ***Little House on the Prairie*** during lunchtime, and we want this pandemic to end, therefore be it
- Resolved: That the Executive Committee of the Senate along with all members of the Academic Senate and the faculty, staff, administrators, and students of CSUF provide our heart-felt thanks and gratitude to Sheretha and Mara for their dedication to the Senate, and be it further
- Resolved: That where it within our ability, these non-identical twins (surprise) would each be awarded a substantial raise, Sheretha would have more grandchildren next week, and Mara would be awarded her Bachelor's degree in Business Management now.
