

**Resolution Concerning the Timeline of Range Elevation Notifications in AY 2021-2022**

Whereas: The recently ratified collective bargaining agreement sets a minimum 30-day period between the notification of lecturers eligible for range elevation, and

Whereas: UPS 210.070 sets our notification period as at least 60 days, and

Whereas: Due to the approval of the new contract at this late date in the semester using the longer notification period will make it impossible for all the steps in the range elevation process to be completed by the mandatory date of June 30th, and

Whereas: The Academic Senate of California State University values a process which allows those eligible for Range Elevations to receive their well-deserved Range Elevations, be it

Resolved: That for AY 21/22 the timeline will reflect the contractually mandated 30 days instead of the additional time allotted in UPS 210.070, and be it further

Resolved: That this change is only for AY 21/22 and that in the following years the timeline will reflect our University Policy Statement documents which currently provides for a 60-day notification period, and be it further

Resolved: That copies of this resolution will be distributed to:
