

## Resolution in Congratulating Titan Athletics

**Whereas** even with all the challenges the last two years, this has been a record-breaking era for Titan Athletics on and off the field; and

**Whereas** Titan Athletics' APRs (Academic Progress Rates, NCAA metric) for the last two years were approximately 980 for both years meaning that 98% of our scholarship student athletes are on track to graduate with an average GPA for all athletes at 3.04; and

**Whereas** Titan Athletics is proud of the over 300 student athletes on the Big West Commissioner's Honor Roll for the last two academic years; and

**Whereas** the Titan Softball Team won the 2022 Big West Championship - which is their 5th in the last six seasons - and will compete in the NCAA National Tournament at Arizona State; and

**Whereas** Titan Men's Track and Field won the 2022 Big West Championship, making them back-to-back conference champions; and

**Whereas** the Men's Basketball Team won the 2022 Big West Tournament Championship, marking the 4th NCAA appearance in school history and second in the last four years; and

**Whereas** the Titan Cross County program celebrated the 2021 Women's Cross Country individual Big West Champion, Trinity Ruelas, and the 2021 Men's Cross Country individual Big West Champion, Sammy Ayala; and

**Whereas** the Titan Dance Team won their amazing 17th National Championship in 2022; and

**Whereas** in 2022 Titan Athletics celebrated our first ever Big West Champion in Men's Track and Field Decathlon, Andrew Aguilar; therefore, be it
