## ***Tuffy's Graduation Scholar Grade Card***

*Dear Instructor,*

*The Tuffy's Graduation Scholars (TGS) program is designed as a new CSUF effort to assist our students with navigating their academic journey and overcome any challenges they may encounter along their path. Our program requires that we track our students' academic progress. In addition, our goal is to empower students to connect and engage with faculty, as we understand this is an important experience that can greatly benefit our students.*

*On the reverse side, please provide some feedback to us about our TGS scholar in your class. NG (no grade) is fine if no formal grades are available yet.*

*Thank you for your support! We appreciate your time – and so do our TGS scholars!*
