Contract for Service Guidelines

VRC staff will review the applications for completeness and eligibility to also decide whether funding will be provided. It is important to provide all the required information in this application for successful submission. CSUF VRC does not discriminate in the provision of services on the basis of race, religious beliefs, color, national origin, ancestry, physical ability, mental disability, medical condition, marital status, sex, gender, age, or sexual orientation.

Payment and Funding

The funds will be paid directly to your student account. During the assessment period, you will provide all required paperwork and you will provide all necessary information for payments or funding. Processing payments will not begin until we have received your completed application. All information may be investigated by CSUF VRC as part of the process to determine if scholarship can be awarded. Payment processing is dependent on application submission, accuracy, and to university departments processing time. Standard processing time for all university scholarships and stipends is approximately 8 to 12 weeks.

Privacy Notice

Applications may be used for statistical purposes, but all identifying information will be protected. All students are assured of the utmost privacy while working with program service provider. Privacy will also be protected by the program committee, professional staff, and any university staff related to processes pertaining to the distribution of funds. Applicants’ information and funding requests are considered private. Throughout the program you may be contacted to do an assessment of your experience of the processes and provide feedback to further improve this program.

I have read, understand, and agree to the terms of this contract.
